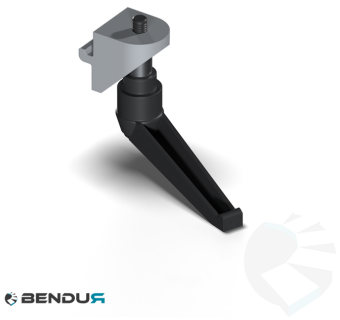
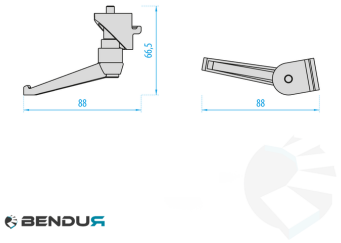
Adjustable clamping angle - slot 6 | 30 with locking lever

Article number: BT-020925.01.06.001





View this product online: https://www.bendur.com/uk/adjustable-clamping-angle-slot-6-30-with-locking-lever-bt0209250106001.html

Product details

Profile system	ISB
Slot type	6
Material	Zinc die-cast
Finish	Powder coated
HS-code	7907.00.00.90

Description

With this clamping angle you join aluminium profiles easily and flexibly. The angle clamps in slot 6 of the profile, so you can adjust its position without machining.

Loosen the locking lever to slide or turn the angle, and close it to clamp it again, without tools.

- For ISB profiles 30 series, slot 6
- Bracket: zinc die-cast, powder coated in aluminium colour
- Locking lever: glass fibre reinforced plastic (PA), black
- Mechanism: steel, zinc plated
- Fastening: M6 screw
- Weight: 64.0 g
