Product details

Profile system	ISB
Material	Glasvezelversterkt kunststof [PA]
HS-code	3926.90.97.00

Description

This cover cap closes the open, angled side of a zinc die-cast corner connector 40x80 for the ISB profile system. It gives the joint a neat, closed finish.

The corner connector itself is sold separately.

- Material: glass fibre reinforced plastic (PA)
- Colour: black
- Fits the ISB corner connector 40x80
