Product details

Profile system	ISB
Material	Glasvezelversterkt kunststof [PA]
HS-code	3926.90.97.00

Description

This plastic cover cap closes the open, angled side of a die-cast zinc ISB corner connector 80x80. It gives the joint a neat finish and covers the screws and slot nuts.

- Material: plastic (PA)
- Colour: black
- For ISB corner connectors 80x80, slot 8
- Fits the corner connectors with and without assembly set
