Product details

Profile system	NRB
Material	Glasvezelversterkt kunststof [PA]
HS-code	3926.90.97.90

Description

A sturdy plastic machine handle for doors, flaps and aluminium profiles. The grip sits beside the mounting face instead of in front of it, so your fingers stay clear of the profile and the door frame (finger protection). You fasten it with two M8 hexagon head or socket head screws; the screw heads sit recessed in the handle and can be hidden with the optional cover caps (BT-021332.00.00.000).

- Material: glass bead reinforced plastic (PA), black
- Hole spacing: 100 mm, overall length 134 mm
- Width: 72 mm, height 65 mm
- Screw size: M8 (bore ø8.5 mm)
- Weight: 114 g
