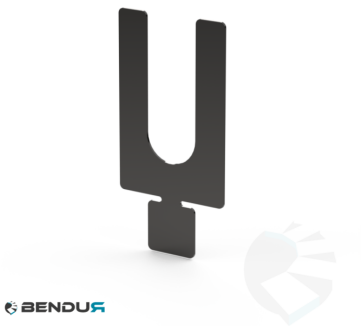
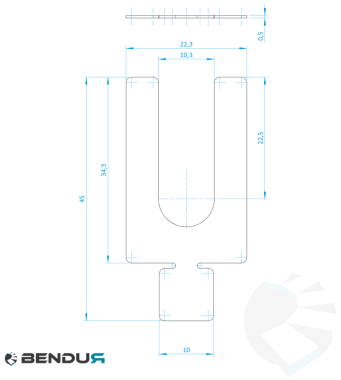
Article number: BT-060501.90.03.001





View this product online: https://www.bendur.com/uk/conveyorbricks-side-guide-shim-plate-bt0605019003001.html

Product details

Compatible system	ConveyorBricks
Material	RVS
HS-code	8431 39 00

Description

A conveyor side guide shim plate is a thin plate used to adjust and optimize the position of side guide shoes or connecting elements on a conveyor system. This plate ensures precise alignment of the components and prevents issues such as boxes and/or crates getting caught.
