Product details

Profile system	ISB
Slot type	8
Material	Staal
Thread diameter [mm]	M6
Finish	Elektrolytisch verzinkt
HS-code	7318.16.92.90

Description

This T-slot nut gives you an M6 thread in an ISB profile with slot 8, so you can fasten parts to the profile with a screw.

You slide the nut into the slot from the end of the profile. A spring-loaded ball holds it in place, so it stays where you put it while you fit the part. When you tighten the screw, the nut lines itself up in the slot.

- Thread: M6
- Size: 17.0 x 8.0 mm
- Material: zinc-plated steel
- Fits ISB profiles with slot 8
