Product details

Profile system	ISB
Slot type	8
Material	Staal
Thread diameter [mm]	M8
Finish	Elektrolytisch verzinkt
HS-code	7318.16.92.90

Description

This T-slot nut gives you an M8 thread in an ISB profile with slot 8, so you can fasten parts to the profile with a screw.

You slide the nut into the slot from the end of the profile. A spring-loaded ball holds it in place, so it stays where you put it while you fit the part.

- Thread: M8
- Size: 18.0 x 6.8 mm
- Material: zinc-plated steel
- Fits ISB profiles with slot 8
