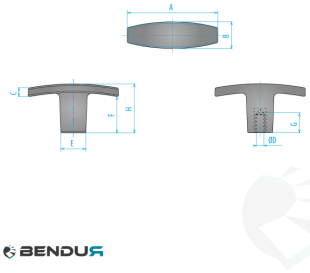
Plastic T-handle with threaded insert - black

Article number: CP-060901.17.00.001



View this product online: https://www.bendur.com/uk/plastic-t-handle-with-threaded-insert-black-cp0609011700001.html

Product details

Product series	T-HANDLE
Material	Polyamide
Other used material 1	Brass

Description

This plastic T-grip with threaded insert offers a firm and ergonomic grip, along with the ability to easily attach it to various equipment or mechanisms. The threaded insert makes it easy to mount the T-grip, making it ideal for applications where a comfortable grip and simple installation are required.
