Product details

Profile system	BSB
Slot type	8
Material	Steel
Thread diameter [mm]	M6
Finish	Zinc plated
HS-code	7318.16.92.90

Description

This roll-in T-slot nut gives you an M6 thread in a BSB profile with slot 8, so you can fasten parts to the profile with a screw.

You place the nut in the slot from the front and turn it in, so you can still add it when the frame is already assembled. A spring leaf holds it in position while you fit the part. When you tighten the screw, the nut lines itself up in the slot.

- Thread: M6
- Size: 11.6 x 4.6 mm
- Collar height: 1.0 mm
- Material: zinc-plated steel
- Electrically conductive (ESD)

- Fits BSB profiles with slot 8
