| **Material** | RVS |
| **Thread diameter [mm]** | M4 |
| **HS-code** | 7318.16.92.90 |

### Description

This roll-in T-slot nut gives you an M4 thread in an ISB profile with slot 8, so you can fasten parts to the profile with a screw.

You place the nut in the slot from the front and turn it in, so you can still add it when the frame is already assembled. A spring-loaded ball holds it in place, so it stays where you put it while you fit the part. When you tighten the screw, the nut lines itself up in the slot.

- Thread: M4
- Size: 13.4 x 7.6 mm
- Collar height: 0.8 mm
- Material: stainless steel (SS304 / SS303), plain

- Fits ISB profiles with slot 8
