Product details

Profile system	ISB
Slot type	8
Material	Staal
Thread diameter [mm]	M5
Finish	Elektrolytisch verzinkt
HS-code	7318.19.00.90

Description

This roll-in T-slot nut gives you an M5 thread in an ISB profile with slot 8, so you can fasten parts to the profile with a screw.

You place the nut in the slot from the front and turn it in, so you can still add it when the frame is already assembled. A spring-loaded ball holds it in place, so it stays where you put it while you fit the part.

- Thread: M5
- Size: 13.7 x 7.0 mm
- Material: zinc-plated steel
- Fits ISB profiles with slot 8
