Product details

Profile system	BSB
Slot type	10
Material	Aluminium spuitgietwerk
HS-code	7616.99.10.99

Description

This die-cast aluminium corner connector joins two BSB profiles 40x40 at a right angle. You can also use it to fix a panel to a profile. It is made for slot 10.

This version comes without an assembly set: you add the slot nuts and screws yourself. The open side can be closed with the matching cover cap, sold separately.

- Material: die-cast aluminium, plain (uncoated)
- For BSB profiles 40x40, slot 10
- Cover cap: glass fibre reinforced plastic (PA), black, sold separately
- Also available with an assembly set
