Product details

Profile system	ISB
Slot type	6
Material	Zinkspuitwerk
Finish	Gepoedercoat
HS-code	7907.00.00.90

Description

This zinc die-cast corner connector joins two ISB profiles 30x30 at a right angle. You can also use it to fix a panel to a profile. It is made for slot 6.

This version comes without an assembly set: you add the slot nuts and screws yourself. The open side can be closed with the matching cover cap, sold separately.

- Material: zinc die-cast
- Surface: powder coated in alu colour
- For ISB profiles 30x30, slot 6
- Cover cap: glass fibre reinforced plastic (PA), black, sold separately
