## Product details

| | |
|---|---|
| **Profile system** | ISB |
| **Slot type** | 8 |
| **Material** | Zinc die-cast |
| **HS-code** | 7907.00.00.90 |

## Description

This large die-cast corner connector joins two ISB profiles at a right angle, for heavy joints with profiles 80x160. You can also use it to fix a panel to a profile. It is made for slot 8.

This version comes without an assembly set: you add the slot nuts and screws yourself. The open side can be closed with a cover cap.

- Surface: powder coated in alu colour
- For ISB profiles 80x160, slot 8
- Holes for M8 screws
- Also available with an assembly set
