Product details

Profile system	NRB
Material	Steel
Thread diameter [mm]	M5
Finish	Powder coated
HS-code	7326.90.98.90

Description

This steel connecting angle joins two aluminium profiles at a right angle. It is 20 mm wide and suits profiles of 20 mm and up.

You fix it with two countersunk screws M5, one in each leg. The holes are countersunk, so the screw heads sit flush.

- Material: steel, black powder coated
- Size: 20x20 mm
- Two countersunk holes for screws M5
- Screws and slot nuts are not included
