Product details

Profile system	NRB
Material	Steel
Thread diameter [mm]	M6
Finish	Powder coated
HS-code	7326.90.98.90

Description

This steel connecting angle joins two aluminium profiles at a right angle. It is 30 mm wide and suits profiles of 30 mm and up.

You fix it with two countersunk screws M6, one in each leg. The holes are countersunk, so the screw heads sit flush.

- Material: steel, black powder coated
- Size: 30x30 mm
- Two countersunk holes for screws M6
- Screws and slot nuts are not included
