Product details

Profile system	BSB
Slot type	10
Material	Steel
Finish	Zinc plated
HS-code	7326.90.98.90

Description

With this bendable quick connector you join the end of one profile to the side of another (end to slot). You bend it to the angle you need, for example 90°.

To mount it, you need a blind hole of Ø17 x 35 mm in the centre of the profile, 22.5 mm from the end (example: profile 45x45).

- Material: steel, zinc plated
- For BSB profiles with slot 10
- Machining: blind hole Ø17 x 35 mm, 22.5 mm from the profile end
- Bendable to the angle you need
