Product details

Profile system	ISB
Slot type	8
Material	Stainless steel
HS-code	73269098

Description

This stainless steel screw connector set joins two ISB profiles with slot 8. The turn-lock bites through the anodised layer of the profile, so the connection is firm and electrically conductive (ESD).

- Turn-lock: stainless steel, 35 x 17 mm
- Screw: pan-head screw
- Conductive (ESD) connection
- For ISB profiles 40 with slot 8
