Product details

Profile system	ISB
Slot type	8
Material	Aluminium die-cast
HS-code	7616.99.90.99

Description

With this die-cast aluminium angle connector you join two aluminium profiles of the 40 series at 45°, for example for braces and sloping frame parts. You do not need a mitre cut.

The connector sits on the outside of the profiles and is fastened with M8 screws and T-slot nuts in slot 8. It is sized for a double profile (80x40/40).

- For ISB profiles, slot 8
- Material: aluminium die-cast, plain
- Fastening: M8 screws
- Weight: 166.2 g
- Screws and slot nuts are not included
