Product details

Profile system	NRB
Slot type	-/8/10
Material	Zinkspuitwerk
Finish	Gelakt
HS-code	7907.00.00.90

Description

This pivot joint 40 with locking lever makes a hinged connection between two profiles or panels, which you can fix at any angle. With the screws and the locking lever you set how easily it turns, or lock it in one position.

On a profile end with a Ø10.2 mm core bore, a threaded insert reduces the bore to M8 for mounting.

- Material: zinc die-cast, powder coated, alu colour
- Locking lever: glass fibre reinforced plastic (PA)
- Opening angle: 192°
- Separate locating pins for slot 8 and slot 10
