Product details

Profile system	ISB
Slot type	8
Material	Zinc die-cast
Finish	Powder coated
HS-code	7907.00.00.90

Description

With this clamping angle you join aluminium profiles easily and flexibly. The angle clamps in slot 8 of the profile, so you can adjust its position without machining.

Loosen the locking lever to slide or turn the angle, and close it to clamp it again, without tools.

- For ISB profiles 40 series, slot 8
- Bracket: zinc die-cast, powder coated in aluminium colour
- Locking lever: glass fibre reinforced plastic (PA), black
- Mechanism: steel, zinc plated
- Fastening: M8 screw
- Weight: 154.0 g
