Product details

Profile system	ISB
Slot type	8
HS-code	3916.90.90.90

Description

With this black plug-in profile you secure panels in the slot of a ISB profile and fill the slot. You press the profile into the slot next to the panel; it clamps the panel and closes the gap.

Wet the profile with soapy water before fitting; it then slides in more easily.

- For ISB profiles, slot 8
- Material: TPE, black
- Panel thickness: 4 - 6 mm in slot 8, 6 - 7 mm in slot 10
- Weight: 30.8 g/m
- Delivered on a spool of 100 m
