Product details

Material	Stainless steel 304
Finish	Plain
HS-code	7318.29.00.90

Description

This stainless steel pin joins two aluminium concealed hinge wings into one hinge. You slide both wings onto the pin and close the ends with two cover caps.

The pin fits all sizes of our concealed hinge wings, so you can combine two wings of different sizes.

- Material: stainless steel (AISI 304)
- Diameter: Ø6 mm, collar Ø10 mm
- Fits: concealed hinge wings 20 to 60
- Hinge wings and cover caps are sold separately
