Product details

HS-code	3926.90.97.90

Description

This cover cap closes the end of the hinge eye of an aluminium concealed hinge. Each hinge needs two caps: one at the top and one at the bottom.

The cap is pressed into the eye and covers the stainless steel pin, for a neat finish in the colour of the aluminium.

- Material: plastic, white aluminium (similar to RAL 9006)
- Diameter: Ø10 mm
- Fits: concealed hinge wings 20 to 60
