Article number: BT-021520.00.08.000

View this product online: https://www.bendur.com/uk/slide-roller-with-ball-bearing-slot-8-o39-bt0215200008000.html

Product details

Profile system	NRB
Slot type	8
Material	Glasvezelversterkt kunststof [PA]
HS-code	8302.20.00.90

Description

A roller with a ball bearing that guides moving parts in the slot of an aluminium profile with slot 8. The roller runs in the slot, so parts move along the profile with little effort.

- Diameter: 39 mm
- Fits slot 8
- Material: glass fibre reinforced plastic (PA), black
- With ball bearing
