Product details

Profile system	BSB
Slot type	10
Material	Glasvezelversterkt kunststof [PA]
HS-code	3926.90.97.90

Description

This two-chamber clip fixes cables and hoses to a BSB profile with slot 10, without cable ties. The clip opens and closes again, so you can add or remove a cable later. A rubber insert in the chambers keeps the cables in place.

You push the clip with its hammer head into the slot and turn it a quarter turn. The hammer head then clamps behind the edges of the slot. No slot nut or screw is needed.

- Material: plastic (PA), black; rubber insert of FPM
- Two chambers, for cables and hoses
- Fits BSB profiles slot 10 with a slot edge of 6 mm
