Product details

Profile system	BSB
Slot type	8
Material	Nitril-butadieenrubber [NBR]
Finish	60° shore A

Description

This black Bosch Rexroth sealing profile is pushed into a T-slot of a BSB profile. Its hollow lip stands about 5 mm proud of the profile, so a sliding or swing door closes against it quietly and dust-tight. It keeps dust and particles in or out of the guarded area.

- Fits BSB profiles with slot 8
- Fitting: push the open part into the slot; it clicks behind the slot edges
- Lip: 5 ± 0.5 mm above the profile face
- Material: NBR (rubber), black, hardness 60 Shore A
- Length: 10 m roll, cut to length
- Genuine Bosch Rexroth, part number 3 842 516 598
