Product details

Compatible system	ConveyorBricks
Material	Kunststof [PA]
Thread diameter [mm]	M8
Color	Zwart
HS-code	3926 90 97

Description

This reflector is designed for placement above the side guide profile. It is especially useful with irregular cartons, as it allows the sensor to be positioned at an angle, looking up at the reflector. This setup prevents the sensor from looking underneath the cartons, ensuring more accurate detection.
