Product details

Product series	S400B
Material	Stainless steel
Footplate diameter [mm]	105
HS-code	3926.90.97.90
Thread diameter [mm]	M24

Description

This stainless steel leveling foot with anti-slip rubber features a cast base with a diameter of 105mm and a sealed M24 spindle. The total height of this leveling foot is 195mm with a maximum load capacity of 25,000N. It is ideally suited for industrial environments where a high level of hygiene and heavy loads are required, such as in the food, chemical, and pharmaceutical sectors. The stainless steel base and its distinctive shape guarantee high load resistance and excellent cleanability, even in critical conditions. The protected spindle prevents the threaded section from being exposed to external substances.
