Product details

Product series	P400R
Footplate diameter [mm]	100

Description

This floor-mounted leveling foot features a plastic base with a diameter of 100mm and a stainless steel or galvanized steel spindle with full M16, M20, or M24 thread. The total height of this leveling foot is 100 to 225mm with a maximum load capacity of 15,000, 16,000, or 18,000N. Extremely suitable for industrial environments where a moderately high level of hygiene is required.
